

HWPOA Board Meeting

March 3, 2008

The HWPOA Board meeting was convened at 7:30 at the Davis residence (2006 Huntwood Drive). All board members were present.

1. Susan Jurow reported that dues are still being collected.
2. The board will file a lien on Diane Law's property to ensure that delinquent HWPOA dues are collected. D'Ana Johnson has the action to identify an attorney. Mark Elert has the action to provide a copy of correspondence to Ms. Law and a calculation of monies owed to Susan Jurow for inclusion in HWPOA records.
3. Jean Logan will provide a PDF file to Susan Jurow for the neighborhood directory when requested.
4. D'Ana Johnson reported on her meeting with Delta Trash and plans a follow up meeting with its president. She requested that board members and community members provide her with specifics regarding poor service.
5. Jean Dalton has received just one proposal for the gazebo roof, although she solicited three. As it is still early in the year to begin these repairs, additional proposals will be sought if possible.
6. At last month's meeting, the board approved Bob Dalton to spend up to \$200 on shrubbery to replace the dead plants on the east side of the entrance. This approval was re-confirmed at this meeting.
