ARCHITECTURAL REVIEW FORM

Homeowner _____ Date _____

Address _____

Phone _____ Email Address _____

Request (please include a short description of what you would like to do, where it will be located, colors, materials)

Estimated Start & End Date _____

Please attach a drawing to the form showing all proposed improvements, including relationship to existing structures, landscaping, and lot lines. Two drawings are needed to clearly show proposed improvements, including existing structures

- A) Plat Plan- "Top Down Map" may be drawn on a copy of your lot survey
- B) Elevations- "Side View" one or more as necessary

Photographs or brochure pictures should also be submitted along with this form when available.

*We ask that you have a conversation with your neighbors if these changes are in their line of site or provide them a copy of this completed form. All concerns can be directed to the HWPOA Board within 30 days of submission date. If you need assistance with this process, please check here .

I understand that the Architecture Review Committee will review this information. I understand that the placement and design of my improvement must meet the guidelines within the Huntington Woods Community Covenants. While the committee makes every effort to review the plans within a timely manner, please note the committee is allowed up to 45 days for review.

Signature _____ Date _____

COMMITTEE USE ONLY

Date Application Received _____ Date Decision Rendered _____

The Architecture Review Committee of Huntington Woods declares your request

- Compliant with the covenants
- Non-Compliant for the following reason _____
